TeamBoard IR 16:9 Projection Formats

World's Largest Interactive

TMIR9654CL – TeamBoard IR
98-3/4" w x 56-1/3" h with Charcoal Frame.
Infrared Technology with Egan Versa³ EVS Presentation Surface.

TeamBoard IR TouchScreen

Combining state of the art infrared technology with award winning EVS™ projection and dry-erase surface, TeamBoard IR is huge and effective. TeamBoard is more than a powerful technology solution—It can also be used as an outstanding dry-erase whiteboard and an ideal projection surface. The secret is the EVS™ Presentation Surface.

Free To Communicate Your Way

TeamBoard sets you free to use any third-party software on your computer (Windows® or Macintosh®). Intuitive TeamBoard Draw annotation tools work seamlessly with your software as you highlight, draw, capture and export to universal file types (e.g. JPEG, PDF).

Interactive Transformation

TeamBoard IR's low profile frame combined with Egan Versa³ presentation surface turns any wall into an interactive canvas.

16:9 Aspect
110" Diagonal

Widescreen Support

TeamBoard IR is setup to display your 16:9 ratio presentation without cropping or distortion. It is ideal for large rooms and where creating a lasting impression is important.

Easy To Ship

TeamBoard IR ships in a tidy package like the one shown here. It's easy to ship to anywhere!

Egan TeamBoard is a No Hassle Company

Software updates are always available on-line—free of charge. Technical support is built into the software, available on our web-site or with a call to our customer service staff.

If you have any problems, pick up the phone and let us know. We expect and want our customers to be delighted with our products and services.

TeamBoard products are designed to be durable, reliable and easy to install.

TeamBoard plays well with EganSystem.

Adding a TeamBoard to your EganSystem collection means adding the only interactive whiteboard available that is both a low-glare projection screen, and a guaranteed-to-clean dry-erase surface.

EVS™ Presentation Surface

An Egan TeamBoard exclusive, EVS is an enhanced dry-erase writing surface that is ideal for corporate, training and presentation environments. EVS really is guaranteed-to-clean.

A permanent marker is easy to erase if used by mistake on EVS. For outstanding performance, try the Egan Dust-Free Whiteboard Solution (EVS + Egan Markers + the EganCloth). It's truly amazing!
